

CALIFORNIA HIGH-SPEED RAIL AUTHORITY
REGIONAL DIRECTOR, SOUTHERN CALIFORNIA

**This is a once in a lifetime opportunity to play a critical role in implementing
the first high-speed rail system in the country!**

Established in 1996, the California High-Speed Rail Authority is the state entity responsible for planning, constructing and operating an 800-mile-long high-speed train system serving California's major metropolitan areas. CHSRA's recently appointed Chief Executive Officer Roelof Van Ark seeks an experienced professional to serve as Regional Director providing leadership for the project moving forward in the Southern California region.

Serving as a member of the Authority's executive management team, the ideal candidate is a seasoned transportation professional with a strong background in project management, engineering, and who is technologically savvy. Candidates with a proven track record of strong management, leadership, communication, and political acumen will be favorably considered. The Regional Director will possess a strong team orientation and will be a relationship-builder to engage the appropriate stakeholders as the high-speed rail project moves from planning to construction.

A Bachelor's degree in a relevant field is required.

The salary for the Regional Director will be dependent on qualifications/experience. A comprehensive benefit package (including PERS 2% @ 55 retirement) is also provided. A detailed brochure is available.

The final filing date is **Monday, August 2, 2010**. Please submit cover letter, resume, current salary, and names of four work-related references to:
